## DETAILED ACTION

### *Election/Restrictions*

1. Claims 1-26 are generic to a plurality of disclosed patentably distinct species comprising  
Species A directed towards Figures 1-6;  
Species B directed towards Figures 7-9;  
Species C directed towards Figures 10-11;  
Species D directed towards Figures 12-18;  
Species E directed towards Figures 19-20;  
Species F directed towards Figures 21-22;  
Species G directed towards Figures 23-26; and  
Species H directed towards Figures 27-28, 29a-b, and 30-33.

Applicant is required under 35 U.S.C. 121 to elect a single disclosed species, even though this requirement is traversed.

Should applicant traverse on the ground that the species are not patentably distinct, applicant should submit evidence or identify such evidence now of record showing the species to be obvious variants or clearly admit on the record that this is the case. In either instance, if the examiner finds one of the inventions unpatentable over the prior art, the evidence or admission may be used in a rejection under 35 U.S.C. 103(a) of the other invention.

2. A telephone call was made to David Posz on Tuesday, April 20, 2004 to request an oral election to the above restriction requirement, but did not result in an election being made.

Art Unit: 3612

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

3. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hilary Gutman whose telephone number is 703-305-0496.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenn Dayoan can be reached on 703-308-3102. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
